Policies

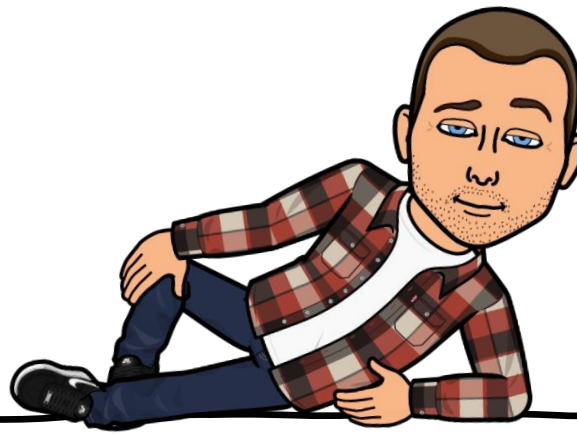

WHAT IF I AM GONE ?

It is the student's responsibility to collect work, ask questions if needed, complete, and turn in assignments. Students will be given ONE day for each day they were absent with an additional day to make up work.

EXAMPLE

Gone 2 days = 4 days to complete work.

TESTS - Missed tests are required to be made up within 5 school days.

WHAT IF HAVE A LATE ASSIGNMENT ?

Students will have ONE DAY from the assignments due date to turn in late assignments.

Late assignments turned in by this deadline will be graded and assessed a 10 percentage point penalty.

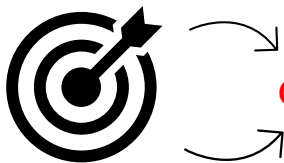

EXAMPLE

Grade = 94% 94% -- 10% = 84%

[Marked " Turned In Late" in the Gradebook.]

Late assignments turned in past this deadline will receive a 0%.

THE ULTIMATE GOAL

Complete weekly assignments within the SAME WEEK.

Having assignments from the previous week added to the current week's workload is STRESSFUL. To alleviate this, students will strive to complete their assignments within a given week. Thus, having a "clean slate" each week.

- > At the end of each week, reports of missing work [ICU Reports] will be printed.
- > These assignments will be DUE by the FIRST DAY of the following week.
- > Assignments that are not turned in at this time will remain a 0% in the gradebook.
